(Please write brief explanation in comment section if any line is checked other than "COLLECTED")

North Plainfield **Metal pick up Program for will be accepting applications for Metal Waste permits after August 15th for a one time annual pick-up for the month of September.** When arranging for Metal pick up appointments please remember:

- Appointments are reserved on a first come first serve basis.
- An application must be submitted at the time of registration. Completed applications can be dropped off to the Department of Public Works between the hours of 8am – 4pm, Monday – Friday.
- Applications can be picked up at the Borough Hall or downloaded off the Borough Website.

COLLECTION GUIDELINE

Collection of materials will be made by Section according to the Borough of North Plainfield Collection Map. We are limited to the amount of stops per collection; therefore, it is on a first come, first serve basis. Collection of materials will be random within each section; therefore, material must be placed out at curb by 7AM on the assigned collection date. It is important that all materials be out by 7AM because collection moves quickly and your Metal Waste will not be picked up if you do not have materials at curbside prior to established time. **Please note that Metal Waste pickup does NOT include BULK items. Bulk Waste is a separate pick-up each April.** Any unauthorized materials in excess of the number of items sought for metal pickup and/or which do not qualify for metal pickup, which are left at the curb, must be removed by 6PM of the day collection is made. Failure to comply will be subject to the provisions of Section 14-8.5 of the Borough Code.

Somerset County holds several recycling events each year for different recyclable materials. For more information on these recycling programs, visit their website at <http://www.co.somerset.nj.us/recycle> or call the Somerset County Recycling Center at (732) 469-3363.
